

TRI-COUNTY RURAL ELECTRIC COOPERATIVE, INC.

POLICY BULLETIN NO 3-5

SUBJECT: PRIMARY UNDERGROUND RESIDENTIAL SERVICE TO NEW REAL ESTATE DEVELOPMENTS

I. POLICY:

As a service to its membership, the Cooperative will provide primary underground service to new real estate developments.

II. PROCEDURE:

- A. Upon agreeing to a general plan for the primary URD (Underground Residential Distribution) system within the development, the Cooperative shall enter into a contract with the developer which binds both parties to the terms and conditions of this policy.
- B. Subsequent to filling all requirements, the primary URD system will be installed. Such lines shall conform to the Cooperative's construction standards and be installed and maintained in accordance with the current National Electric Safety Code and applicable RUS specifications.
- C. Such lines shall be installed by the Cooperative, or such other entity as the Cooperative may authorize, and shall be owned and maintained by the Cooperative.
- D. Then and thereafter, upon terms and conditions prescribed by the Cooperative, any street lighting lines shall also be installed underground.

III. RESPONSIBILITY:

President & CEO or Designee
