

TRI-COUNTY RURAL ELECTRIC COOPERATIVE, INC.

POLICY BULLETIN NO 3-1

SUBJECT: INSTALLATION OF POLE-MOUNTED SERVICES FOR MOBILE HOMES, RV'S AND CENTER POLE UNITS

I. POLICY:

A 100 amp, 200 amp and 40 amp RV single phase 120/240V pole-mounted service shall be provided at cost by the Cooperative to the Member desiring this type of service. Whether the member elects to install his own service or the Cooperative installs the service, all costs shall still be passed through and borne by the Member. The Cooperative may also provide a guy wire and anchor if necessary or recommended, the cost of which shall also be borne by the Member.

II. PROCEDURE:

A. If Cooperative installs service:

1. The Cooperative shall, after payments and other requirements have been arranged, install a pole and all necessary or recommended service equipment.
2. The cost for this service (see Schedule of Fees) will be paid by the Member and shall cover the installation. In the event any installation costs is not fully set forth in the Schedule of Fees, the cost shall still be passed through to and borne by the Member.
3. The Member will be required to have the installed service inspected by a qualified inspector from an approved listing.

B. If Member installs service:

Member may elect to install his own service on a Cooperative provided pole. In this case the member must have the service approved by a qualified electrical inspection agency and meet any other requirements listed on the Cooperative's specification sheet before the service can be connected. Installation of the pole shall still be performed by the Cooperative and the Cooperative shall charge a fee (see Schedule of Fees) to cover the entire cost, which shall be the responsibility of and paid by the Member. In the event any installation costs is not fully set forth in the Schedule of Fees, the

cost shall still be passed through to and borne by the Member in a billing statement.

- C. Member must furnish and be responsible for his own meter base, either purchased from the Cooperative or from a Cooperative-approved manufacturer's list.
- D. The service and all maintenance will remain the property and responsibility of the member.
- E. All maintenance and repair work on the service and the meter base will be billed to the member according to Policy #3-11.
