TERMS OF PAYMENT	Billing is monthly. The above rates are net, with the gross amount being five percent (5%) higher. The gross amount shall apply if the current bill is not paid by the due date. Budget billing is available for residential and seasonal rates. An Auto Pay program is also available (Automatic withdrawal from checking/savings account or credit/debit card).			
WHOLESALE POWER COST ADJUSTMENT	The Cooperative shall continue to make every effort to purchase electricity under contract at the lowest possible wholesale rates. However, should our supplier legally amend our wholesale cost of electricity, the Cooperative shall, if necessary, adjust Generation charges to the above published rates in order to maintain a sound financial status.
